T&T Team Packet 2018-2019

Dear Parent and Athlete:

Welcome to our Trampoline & Tumbling Program! We are delighted that you have chosen to be a part of our gym family. Outside of training amazing athletes, we pride ourselves on developing great adults as well. Our goal every day is to teach our athletes values of commitment, hard work, integrity, leadership, self-confidence, positive attitude and a love for the sport! Each and every family is important to our program and us. We invite you to come and see what it is like to be a part of the "Infinity Nation".

This packet of information is designed to help you understand the commitments and requirements parents and athletes make when they decide to become part of our Infinity Family. Please read the packet thoroughly and do not hesitate to contact us if you have any questions.

Pre-Team Placement To Do List

1. Anytime Monday through Thursday between 5-7pm you are invited to come to our facility for an evaluation! You will be greeted by one of our amazing staff members where they will give you a tour of the facility, introduce you to the staff, answer any and all questions about our program and finally, evaluate your athlete, letting you know what level your child is currently. No appointment is necessary so simply bring a friend and come on out!
2. Join us for private lessons, mini-camps, clinics, open gym, or tumbling classes. This is a great way to become familiar with the gym, our staff and the athletes work on the skills need for team placement.
3. Sign up for team placement evaluations. This can be done at the front desk.

Team Placement

All athletes will demonstrate their skill in Trampoline and Tumbling. Do what you know you can do well. The rule at our gym is: TECHNIQUE IS KING. All returning member accounts must be current to tryout.

Team Placement Dates

July 21st

Private Placements can also be arranged at the front desk if you are unable to attend.

Trampoline and Tumbling Team Description

Trampoline and Tumbling consists of three events. While these events are different in looks, they all translate to one another and are equally important.

- Trampoline uses cardio endurance. The athlete will bounce 15-20 times, completing a ten skill routine. This routine will consist of flips, twists, and body control, while maintaining a level of height in the air.
- Double-Mini is a two level trampoline. The athlete will run towards the double-mini, hurdling onto the trampoline. They will complete a two or three bounce routine that will show quick bursts of energy and full effort in each skill they complete. The double-mini is a two bed trampoline, one with an incline and the other flat.
- Rod Floor Tumbling: In its entirety, the rod floor is 120 feet long and 6 feet wide. The athlete will be required to do a three, five, or eight skill tumbling pass down the floor. This event requires more strength than the others and promotes a higher level of endurance.

Program Options

Tiny Tumblers

ICT offers a new and exciting program for young athletes. This program is for children ages 3-6 who are looking for an introduction into the competitive trampoline & tumbling world. This program is perfect to instill a love of trampoline & tumbling in your young athlete. Members of this program will perform 2 times per season.

Standard

We are thrilled to offer a team that will compete in local competitions only. This program is designed for both new and experienced athletes. Athletes will enjoy lighter time and financial commitments than our excel teams. These teams will compete in the Middle Tennessee area.

Excel

This program is designed for athletes who are interested in a bigger time and travel commitment. These teams will compete locally, regionally and nationally. Excel teams will compete at both 1 and 2 day events.

Practice Structure

Each practice includes a proper dynamic warm-up and conditioning training. We work on two to three events every practice day. An exception to this guideline would be working other necessary stations such as using the tumble track, rotation of progression drills, or strength and conditioning. Sometimes we add a little extra fun such as games, stick it competitions, or new skill day.

Athletes will practice anywhere from 1-3 days/week. You may add extra practice days at any time during the season.

Practice Additions/Cancellations

Inevitably, over the course of a year, there will be a few practice cancellations due to meet conflicts, holidays, or weather. We do our best to keep these at a minimum. Likewise, there will be occasions when additional practices or activities may be conducted in an effort to prepare for a state championship or a qualifying meet.

Yearly Training Schedule

There are four phases of our competitive season:

- Summer Season: This is the time from July through August which tends to be the most fun for athletes. We do few routines and the focus leans toward new skills and sequences as well as strength and flexibility in preparation for the upcoming competitive season.
- Pre-Season: This is the time from mid-August through October. At this time of the year, we will be maximizing our strength, power, flexibility, and skill development. We start half and full routines.
- Competitive Season: This is the time from the first competition (end of October) through the last competition of the season. We will still be working new skills, but training primarily full routines, endurance, and strength maintenance.
- Post-Season: From the last competition to the summer session. The practices are less intense mentally and physically. Much time is spent on goal setting, skill selection for the next year, and fun activities.

Placement at the Competitive Levels

Our philosophy is to compete an athlete when they are ready to compete and **not** before. Besides the obvious safety factors, we want their competition experience to be positive and rewarding. Our goal is to place our athletes at a level that will provide a challenge but also provide an opportunity for success.

Athletes progress at different rates for a multitude of reasons. Your athletes may move up faster or slower than their friends. It is your role as a parent to help your athlete through these stages by giving support and positive motivation.

All athletes must be able to perform at practice all of the required skills necessary in a level in order to compete at that level (NO exceptions). Athletes will compete at the level they are best prepared for and will be given an opportunity to be judged in the gym before going to a meet. The professional coaching staff will decide when an athlete can safely perform the skills and that they are competition ready.

ICT Staff, Athletes, and Parents

Role of the Staff

The staff at Infinity is highly trained, motivated and invested in the success of all of our athletes. You

can expect the following from the Infinity Staff:

- Coach for the love of the sport and the love of the athlete
- Show integrity and lead by example
- Demonstrate a positive coaching style
- Remain safe and realistic with athlete progression, while also challenging the athlete to reach his or her potential.
- Strive to provide a fun, safe, and overall positive experience for your athlete, while focusing on the importance of healthy competition

Role of the Athlete

We expect the following from all athletes in the gym, at competitions, as well as in the community

and on social media:

- Have fun!
- Be gracious when you win and when you don't
- Show good sportsmanship and class at all times
- Athletes are expected to be respectful to staff, parents, and teammates, both in the gym and at competitions. Inappropriate behavior can result in expulsion from practice or immediate dismissal without refund.
- Be accountable for your own actions
- Refrain from using any social media networking, messaging services or electronic media to distribute negative or inappropriate information that could be detrimental to yourself, your family, and the Infinity reputation in any way. These are grounds for immediate dismissal from the program.

Role of the Parent

Parents are expected to do the following:

- Do everything possible to make the athletic experience positive for your child and others.
- Be an encourager - encourage athletes to keep their perspective in both victory and defeat. You are your child's cheerleader.
- Encourage their athlete to always treat fellow parents, teammates, coaches and Infinity staff with

respect.

- Not express their opinions during practice or coach their athlete from the sideline
- Refrain from using any social media networking, messaging services or electronic media to distribute negative or inappropriate information that could be detrimental to yourself, your family, and the Infinity reputation in any way. These are grounds for immediate dismissal from the program.
- Parents should not listen, participate or instigate idle, worthless gossip. It is a detriment to team unity and chemistry.

Parent Travel Obligation (Excel Teams Only)

- Parents are responsible for their athlete's activities and behavior at out of town events.
- If a parent/guardian cannot attend an out of town event, you will arrange for another Infinity parent or responsible adult to travel with your athlete to and from the event, and to be responsible for the athlete during the entire event.

COMMUNICATIONS:

In order to have a great season, communication is very important. All information about times for competitions & events, extra practices, monthly calendars, and other gym events will be posted and updated weekly through email. Email is our main source of communication. You may also find updates and details by way of the other forms of communication listed below.

Texting App- We often send out short quick updates through the texting app Remind Now. As our teams are set up we will pass out the information you need to text in order to be included on this list.

Parent's Corner – Website: We will always have current information for our gym posted on Parent's Corner. (www.clarksville-tumbling.com)

Bulletin Board in Parent Area: We will post all info about current events and competition information on our bulletin board for easy access to parent's while your child is at practice.

Social Media Guidelines

In this day and age, social media has become the frenzy. All athletes, parents, and staff members are prohibited from posting inappropriate or negative comments about teammates, coaches, parents, Infinity Cheer, Trampoline & Tumbling, competitors, or other gyms. Violation of this rule may lead to immediate dismissal from the program. Please remember that we are always representing our gym name, no matter if we are wearing our infinity logo or not.
