Classic Program

ICT offers a new and exciting program for cheerleaders. **This program runs August 2020-December 2020.** This program is for children ages 4-15 who are looking for an introduction into the all-star cheerleading world. Athletes will enjoy lighter time and financial commitments than our standard teams. These cheerleaders will perform at local (Example: Nashville, TN, Clarksville, TN) competitions. As per USASF rules, these cheerleaders will perform a 1.5-minute routine packed with jumps, stunts, tumbling and dance. Classic teams will compete in the novice division at competitions.

ICT Staff, Athletes, and Parents

USASF Certified Gym

The mission of the United States All Star Federation (USASF) is "to support and enrich the lives of our All Star athletes and members. We provide consistent rules, strive for a safe environment for our athletes, drive competitive excellence, and promote a positive image for the sport." Each athlete within the ICT program will be required to become a member of the USASF. More information can be found at www.usasf.net.

Athlete's Commitment

Practice

Teams will practice 1 day per week for 1 hour. Each cheerleader will also take an additional level appropriate tumbling class. Championships are won at practice, not competitions. We expect ALL team members to be at every practice.

If there is a need for extra practices during the year, we will inform you as soon as it becomes necessary. These are generally during the competition season. Practices are **CLOSED** to spectators. Spectators are allowed to be in the building the first and the last 10 minutes of practice for drop off and pick up.

Athletes must wear the designated team practice uniform once it arrives. If an athlete does not have on the correct practice uniform, he or she is required to purchase the correct practice gear. Any extra practice gear will be charged to the card on file.

Choreography

Teams will learn their choreography during practice.

Vacations:

Attendance at practice is critical to your athlete's progress and integral to the success of the team. Athletes should be at practice during the summer season. However, summer practices are designed to accommodate family vacations, mission trips and various camps.

Attendance & Absences

Attendance is crucial to the success of the team. All missed practices must be documented in writing. We do understand that there may be conflicts, however, we ask you to let the coaches know by completing the absentee request form. This form can be found at the front desk.

Practices are mandatory the week prior to a competition. No absence is excused. If an athlete misses a practice during this time, they may forfeit their opportunity to compete and no refunds will be given. No exceptions.

Missing a competition will result in immediate dismissal from the program. Attendance is MANDATORY for all practices, competitions, and any other Infinity Cheer & Tumbling related events. We do not have make-ups for any missed practices. There will be no pro-rated monthly tuition or fees because of vacations, absences or dismissal.
