2022-2023 Cheer Information

# Evaluation Information

Each cheerleader will attend an evaluation clinic where they will be evaluated on tumbling, jumps, dance and stunt skills.

Team placements will be based on age and overall abilities across all skill sets. In some cases, an athlete may not have the required minimum tumbling skills to make a certain level team, but possess other skills that would be beneficial to a certain team. Team rosters will be compromised of members whose talents provide the best chances for success at competition.

We have 2 days of evaluation clinics available. You must attend one clinic, but you are welcome to attend both. If you are unable to attend, please call or see the front desk to schedule a private placement.

# Practice

*Championships are won at practice, not competition.*

**Deluxe- 2 Hour Team Practice 1 Day/Week**

**Classic- 1 Hour Team Practice 1 Day/Week**

Tumbling- All athletes will take a level appropriate tumbling class. Parent's can schedule this class at the front desk.

Flex Zone- Flexibility Class available to all athletes. We highly recommend flyers take this class.

Extra Practice- Practices may be added throughout the season. We will have an extra practice before every competition. This is called "Program Practice".

Practice Viewing- All practices longer than 1 hour are closed. Parents are welcome to stay on site in our front lobby.

## Choreography

Deluxe teams will have routine choreography in August. The exact schedule typically comes out in June. Choreography is mandatory. This is where athletes will learn the routine they compete all season.

Classic Teams will learn their routines during practice.

## Practice Gear

Athletes must wear the designated team practice uniform beginning in August 2022. If an athlete is not wearing the correct practice uniform, he or she is required to purchase a new set. Any extra practice gear will be charged to the card on file.

# Attendance

All forseen absences must be emailed to the front desk (info@clarksville-tumbling.com) 2 weeks in advance. If your child needs to miss practice the day of practice, please call the gym at 931-572-0089.

**Summer Practice:** Athletes should attend summer practices when possible, however summer practices are designed to accomodate things like family vacations, camp, visitation, etc. We do not have an attendance policy in the summer.

**Competition Season Practice:** Competition Season begins August 2022 and goes through April 2023. During competition season, practice is mandatory. We do not differentiate between excused and unexcused absences. Once a cheerleader reaches 5 absences, he or she may lose a choreography spot, sit out a competition or be placed on a team with a smaller time commitment.

All practices the week before a competition are mandatory. No exceptions. If an athletes misses practice during this time, they may forfeit their oppertunity to compete that week.

**Competition:** Competitions are mandatory. Missing a competition will result in immediate dismissal from the program.

## USASF Certified Gym

The mission of the United States All Star Federation (USASF) is "to support and enrich the lives of our All Star Athletes and Members. We provide consistent rules, strive for a safe environment for our athletes, drive competitive excellence , and promote a positive image for the sport". Each athlete within the ICT Program will be required to become a member of the USASF. More information can be found at [www.usasf.net](http://www.usasf.net).

# Infinity "Team" Policy

Members of ICT agree to put their team ahead of the individual athlete.

**Our motto is PROGRAM > TEAM > INDIVIDUAL.**

If it is in the best interest of the program, an athlete or coach may be moved from one team to another team in age or level appropriate divisions. Please be mindful of the fact that routine positions are always fluid and never absolutely "set in stone".

Athletes will naturally progress over time, some more rapidly than others. ICT recognizes and rewards hard work and dedication. Therefore, it is not safe to assume that because your athlete is doing a certain role in the routine during summer months and even at the time of choreography that he or she will be doing the same thing at the end of the season.
