## **ALL-STAR CHEERLEADING OVERVIEW**

All-star cheerleading is a competitive team sport incorporating skills from: gymnastics, dance, stunting and, cheer. All- star cheerleading squads do not cheer for other sports teams; they are the team! All-Star cheerleading teams differ from other teams by training year-round for competitions.

They differ from other sports in that every team member is vital to the team and the performance -- there are no benchwarmers. Everybody has an integral part! Each member of the squad is trained in all aspects of the sport in order to develop their skills to reach their maximum potential.

Competition routines are typically 2 1/2 minutes in length. They are packed with stunts, dances, cheers, and tumbling. Each element is perfectly choreographed to music. The routines are judged based on difficulty, execution, creativity, and showmanship. Each team only has one opportunity to get it perfect. Athletes will be placed on teams based upon their age, abilities, and attitudes.

It is also important for the cheerleader and the parent to evaluate the level of both time and financial commitment to ensure that it is feasible for your family. Once a commitment is made, the team is depending on your cheerleader to complete the entire season. This overview will help you to better understand each commitment aspect of cheerleading.

### **PRACTICE**

Just as important as a competition is practice. Without regular practice, the team is only as valuable as its weakest link. We expect **ALL** team members to be at every practice. Because this is a team sport where each member is crucial for stunting, when one person misses, an entire stunt group can't practice. This is the same for new choreography. When one person is absent, the team can't learn anything new and the whole team suffers. While we do understand that life is unpredictable, please use common courtesy for your coaches and team members.

Teams will practice anywhere from 3-5 hours per week (depending on summer to fall/winter to spring). The team must use practice time productively if we are to meet our goals for each competition. If there is a need for extra practices during the year, we will inform you as soon as it becomes necessary.

#### **Summer Practice**

Each cheerleader will have to attend **THREE** practices a week: 1 practice with their team to work on team stunts, 2 tumbling classes according to their skill level. Cheerleaders may attend an extra "open tumble workout" on top of their two weekly practices as well as the specialty classes we offer to prepare for the upcoming season. The following specialty classes are as follows: flight class, jumps, motions and dance, as well as conditioning. **A summer class schedule is listed on page 5.**

#### **Choreography Camps**

All teams are required to participate in our two choreography camps where we learn our routine for the season. This year, we are implementing a NEW and EXCITING format. The first Camp will be dedicated to routine and dance choreography. The second camp will focus on stunts, pyramid and basket toss choreography. Camp is an important piece to the overall success of the teams.

## Fall/Winter Practice

Tiny Prep level will practice 1 ½ hours per week. Tiny and/or Mini travel teams will practice 1 ½ hours two days a week, this is a 3+ hour a week commitment. Youth, Junior, and Senior teams will practice two days a week for two hours, this is a 4+ hour a week commitment. The athletes may be required to practice more during peak competition times.

## Additional Time

There will also be a designated time for open tumble. Mini, Youth, Junior and Senior Cheerleaders may come and tumble during this time slot at no additional cost. Currently, the open tumble time is Tuesday 7:00-8:00, this time is subject to change.

## Dress code at practice:

- ★ Athletes must wear designated team practice uniform all year (flyers must wear spandex shorts for every practice).
- ★ No fake fingernails; athletes will be asked to remove them. All nails are to be kept short. Long or fake fingernails can result in injuries to athletes.
- ★ No jewelry at practice; this includes: rings, earrings, necklaces, and especially bellybutton rings.
- ★ Keep hair tied back.
- ★ Sports bras and/or tank tops need be worn under shirts.
- ★ Bloomers or biker shorts under shorts.

## Vacations:

We recommend taking family vacations during TSSAA dead period, June 28th – July 11th.

## Absences:

In order for the team to be successful, attendance at practices and competitions are **MANDATORY**. We do understand that there may be conflicts, however, we ask you to let the coaches know by completing the form in the back of the packet and returning it to your coach in advance.

## 1-3-5 Policy–ABSENCE POLICY

- ★ Each athlete will not be allowed to miss **a competition** throughout the season without being dismissed from the team. (Missing a competition is not merely an option, it is for extreme emergencies or extreme scheduling conflicts)
- ★ Each athlete will not be allowed more than **3 tardies** to practices, competitions, and/or Infinity Cheer Tennessee related events without being dismissed from the team.
- ★ Each athlete will not be allowed more than **5 absences** from practices without being dismissed from the team.

**Official performance times will be POSTED at the practice prior to each competition.** The athlete will receive an instruction sheet stating the time and places the athlete needs to meet and any additional instructions that will be need to be adhered. At this meeting time, the coaches will take the athletes (in complete uniform and make-up) to practice.

During competitions athletes are expected to be on the floor watching all ICT Teams perform; they are expected to attend all competitions in their entirety. **All gym members, including parents, are required to exhibit good sportsmanship and adhere to the rules of the competition.** ICT family is expected to be positive role models for all cheerleaders.

Dress code at competitions:

- ★ Athlete is required to be ready to compete at the designated meet time.
  - **COMPLETE UNIFORM:** Cheer shoes, white no show socks and bow.
  - **BRA:** All girls are required to have a bra that **does not show in the uniform.** (You may purchase a bra through the front desk or through our **online pro shop.**)
  - **HAIR AND MAKEUP:** Prior to the competition season, each cheerleader will be provided with instruction along with pictures and description of how both hair styled and make up applied as per GYM requirement. Make up and hair styles are a part of the ICT uniform and therefore all teams will be required to maintain the integrity of the uniform.
  - **FINGERNAILS:** Must be kept short. No fake fingernails. No fingernail polish.
  - **NO JEWELRY:** No jewelry of any kind. Wearing jewelry could result in serious injury to your child or another child. In addition, it could result in additional deductions and disqualifications.
  - **AWARDS ATTIRE:** All cheerleaders are required to remain in complete uniform and make up for awards.

On competition day, you should plan on arriving early to give yourself plenty of time. Athletes are to arrive dressed in full uniform and with hair and make-up complete. Sit in an area with other ICT families, this makes it easier for the athletes to keep to their schedules and build team spirit. These events are all day events, plan your calendar accordingly.

### **LIMITED TRAVELS TEAMS (PREP TEAMS)**

Limited Travel Teams are for children ages 8 and under; these are the Tiny Prep and/or Mini Prep Teams.

The Tiny Prep and/or Mini Prep teams will be competing in a Prep level division. At this age, ICT believes it is best for children when we keep cheerleading about physical activity, having fun, learning new tumbling skills, and learning basic cheer techniques. Most importantly, we want to focus on laying the groundwork for good sportsmanship, which comes from PARENTS and COACHES.

### **Crossovers (double competing)**

Cheerleaders may choose or be asked to cheer for more than one team within the season. Teams that will utilize crossovers will be determined by the ICT staff based on need and dedication. Please indicate during tryouts if you have an interest in being a crossover. **The only additional cost is the crossover fees for the competition. Our crossover pricing expense chart is on page 8.** Please be aware that your commitment to your second team is just as important as your commitment to your first one. In order to be a crossover, you must remain on your initial team that you were placed. Being offered the ability to cross compete is a privilege and allows for cheerleaders to sometimes compete at a higher than his or her age appropriate team. This also means you must attend all practice and competitions for your crossover team.

## **2015–2016 Tentative Competition Schedule**

## Parent Responsibilities and Code of Conduct

Parents are vital in helping their children maintain high moral character, fulfill their commitment and keep a positive attitude. AT/ICT is honored to serve as a partner to the parents helping each child achieve these goals, but the primary job must lie with the parents. Please read this carefully and understand that you are making a commitment of time and financial resources. You are also committing to support our program's philosophies and goals.

- 1) I understand that my actions in the gym and at competitions are a reflection of AT/ICT and should be of strong moral CHARACTER. I will be a positive role model for my child and will encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all athletes, coaches, and spectators at every practice and competition
- 2) I am aware that this is a ONE YEAR COMMITMENT and will do everything in my ability to enable my child to participate in all practices and competitions throughout this season. I understand that a team is depending on my child to fulfill his/her responsibilities as a team member. I will do what is necessary to get my child to practice on time and assure that he/she does not need to leave practice early. I will pick my child up from practice on time
- 3) I will maintain a positive ATTITUDE by remembering that children participate in cheerleading to have fun and that the sport is for children, not adults.
- 4) I will teach my child that doing one's best is more important than winning, so that my child will not feel defeated by the outcome of a competition or his/her performance. I will encourage my child to be a humble winner and a gracious loser.
- 5) I will respect the coaches and their authority during practices and competitions and will not question, discuss or confront the coaches during a practice or a competition, nor will I pull my child out of practice without communicating with the coach. I will take the time to speak with the coaches at an agreed upon time and place. This includes "venting" or being disrespectful.
- 6) I understand that threatening to pull my child from the team will result in his/her immediate dismissal and any and all fees (registration, tuition, and all-star fees) will still be required to be paid in full.
- 7) If my child is involved in any matter of disrespect towards any AT/ICT coach or fellow athlete, I will resolve this problem with my child immediately.
- 8) I understand that my child must wear the appropriate and proper practice outfit and will support this requirement with my child. If my child misplaces any part of his/her practice clothes, I understand that I must purchase a replacement immediately.
- 9) I fully understand that the coaches reserve the right to suspend my child's participation indefinitely in practice or competition (which may include losing positions) as a disciplinary action if any of the rules, policies, or code of conduct are not adhered to and any and all fees (registration, tuition, and all-star fees) will still be required to be paid in full.
- 10) I fully understand that this is a complete season commitment and registration, tuition, and all-star fees are non-refundable. I will adhere to the payment schedule as outlined in the all-star packet.
- 11) I understand that if my child does not continue throughout the entire season, it is my responsibility to pay the remainder of any Monthly tuition and All-Star fees due to American Twisters/Infinity Cheer Tennessee for the year. This obligation to pay remains if I choose to withdraw my child from the team, or if my child is suspended or dismissed from the team.
