Choreography

Classic Teams will learn their routines during practice.

Practice Gear

Athletes must wear the designated team practice uniform as soon as they receive it. If an athlete is not wearing the correct practice uniform, he or she is required to purchase a new set. Any extra practice gear will be charged to the card on file. Practice typically takes 4-8 weeks to arrive if we have to order it.

Attendance

All forseen absences must be emailed to the front desk (info@clarksville-tumbling.com) 2 weeks in advance. If your child needs to miss practice the day of practice, please call the gym at 931-572-0089.

Competition Season Practice: Competition Season begins February 2023 and goes through April 2023. During competition season, practice is mandatory. We do not differentiate between excused and unexcused absences. Once a cheerleader reaches 5 absences, he or she may lose a choreography spot, sit out a competition or be placed on a team with a smaller time commitment.

All practices the week before a competition are mandatory. No exceptions. If an athletes misses practice during this time, they may forfeit their oppertunity to compete that week.

Competition: Competitions are mandatory. Missing a competition will result in immediate dismissal from the program.

USASF Certified Gym

The mission of the United States All Star Federation (USASF) is "to support and enrich the lives of our All Star Athletes and Members. We provide consistent rules, strive for a safe environment for our athletes, drive competitive excellence, and promote a positive image for the sport". Each athlete within the ICT Program will be required to become a member of the USASF. More information can be found at www.usasf.net.

Infinity "Team" Policy

Members of ICT agree to put their team ahead of the individual athlete.

Our motto is PROGRAM > TEAM > INDIVIDUAL.

If it is in the best interest of the program, an athlete or coach may be moved from one team to another team in age or level appropriate divisions. Please be mindful of the fact that routine positions are always fluid and never absolutely "set in stone". Athletes will naturally progress over time, some more rapidly than others. ICT recognizes and rewards hard work and dedication. Therefore, it is not safe to assume that because your athlete is doing a certain role in the routine during summer months and even at the time of choreography that he or she will be doing the same thing at the end of the season.
