## Trampoline & Tumbling Team

2025-2026  
Handbook

# Evaluation Information

Each athlete will attend an evaluation where they will demonstrate any skills that they have mastered on trampoline, double mini trampoline and floor. If they are new to the sport, that is completely fine. We will teach them everything they need to know.

This is an individual sport so athletes will be placed in the class that is best for them as well as everyone in the class.

If you are unable to attend, please call 931-572-0089 or see the front desk to schedule a private evaluation.

# What is T&T?

Trampoline and Tumbling consists of 3 events. While these events are different in looks, they all translate to one another and are equally important.

Trampoline: 10 skill routine that consists of flips, twists and body control while maintaining height in the air.

Double Mini: 2-3 passes in which the athlete runs and hurdles onto the DM followed by 2-3 skills also on the DM. The last skill is a dismount.

Floor: 2 separate passes down the floor doing 3-8 skills in each pass depending on the level.

## Program Options

### Classic

This program is perfect to instill a love of T&T in your athlete. This program is designed for athletes aged 4-12 who are looking for a smaller commitment.

The classic season runs August 2025-January 2026. Team members will practice 90 minutes each week.

Classic athletes will compete on floor and trampoline only.

They will compete at one competition and one showcase per season. Events are local.

### Deluxe

This program is perfect for those looking for more. It is geared for athletes aged 4 & up. Younger athletes may do deluxe if they have competed on the classic team previously. The Deluxe Season runs August 2025- July 2026. Team members will compete in all 3 events against others in the same age group and skill level.

Deluxe teams will compete a mix of local and optional travel competitions. Families will decide which competitions they would like to attend. They can attend any/all of the competitions.

In addition to the regular season competitions, athletes will also compete at State Meet and Nationals.

Due to the nature of an individual sport, there is no minimum number of meets you must attend. You simply choose the events that work within your schedule.

## Competition Schedule Releases October 1st

# Practice

*Championships are won at practice, not competition.*

**\*Deluxe- 2 Hour Team Practice 2 Day/Week**

**Classic- 1.5 Hour Team Practice 1 Day/Week**

*\*4-5 year olds will practice 1.5 hours/day.*

Each practice includes a proper dynamic warm up and conditioning training. Deluxe athletes are encouraged to attend one flex zone class each week. Classic athletes are welcome to attend as well.

**Practice additions/cancellations:** Inevitably, over the course of a year, there will be a few practice cancellations due to meet conflicts, holidays and weather. We do our best to keep these to a minimum. We will not make up any missed classes. Likewise, there will be occasions when additional practices or activities may be added in an effort to prepare for a competition.

**Practice Viewing:** Practices are open to parents. We do ask that parents watch practice and do not coach from the sideline.

All personal belongings must be kept in a cubby during practice. **Water is the only drink permitted on the floor during practice.**

## Competition Levels

Our Philosophy is to compete a level after it has been completely mastered. Besides the obvious safety factors, we want the competition experience to be positive and rewarding. Our goal is to place our athletes at a level that will provide a challenge, but also an opportunity for success. Athletes will compete at the level they are best prepared for. The professional coaching staff will decide when an athlete can safely perform the skills and when skills are competition ready.

## Practice Gear

Athletes must wear the designated team practice uniform as soon as it arrives. If an athlete is not wearing the correct practice uniform, he or she is required to purchase a new set. Any extra practice gear will be charged to the card on file. Athletes must wear a leotard or ICT Tank and Shorts.

## Communications

In order to have a great season, communication is very important. All information about practice & competition schedules as well as extra practices, fundraisers and any other gym information will be emailed and posted on team facebook pages. Email is our main source of communication. Please check your email often for important team information. Below is a list of communication lines.

**Email-** Again, this is our main source of communication. We email all information as soon as it's available. Please be sure to provide a valid email address that you check in order to receive all important information. If you do not check your email, you will be out of the loop on what is going on in the gym.

**Team Reach-** We often send out short quick updates through the "Team Reach" app. As our teams are set up, we will pass out the information you need to text in order to be included on the This is a great place to share practice and competition photos too.

## Quitting Mid Season

Our Program requires a commitment from the athletes, parents, families, and coaches. If an athlete quits the team mid season, you will be responsible for paying the next 3 monthly installments. This does not apply to anyone who moves more than 50 miles away.

## Meets at Infinity

We are fortunate to be able to host a few meets at OUR GYM throughout the season. We cannot do this without the help of our AMAZING families.
